Dear Keith,

On behalf of the Founders' Award team, I want to sincerely thank you for taking the time to submit a second application with Upstate New York Transplant Services. We recognize the hard work that went into your application and were incredibly inspired by your commitment to increasing awareness for organ and tissue donation.

With so many worthwhile causes to consider, including yours, narrowing down the semi-finalists to a small group of finalists was very difficult, and we regret to inform you that yours was not one of those selected to move onto the finalist phase.

Being selected as a semi-finalist is an achievement to be proud of, and we hope that you'll consider applying for the Founders' Award again next year. We also hope you'll continue to take advantage of all the opportunities that Gap Inc. and the Gap Foundation offer to support you in your continued community service efforts.

Sincerely,

Eva Sage-Gavin  
Executive Vice President, Human Resources and Communications
